

PRESS RELEASE

## Biznet Continues to Expand Coverage Area in Pontianak City

**Pontianak, Kalimantan Barat, 10 December 2019** – After officially announced network expansion to Pontianak, West Kalimantan, last October, Biznet is also announcing that high quality Internet service from Biznet is now available and accessible for more people in Pontianak. As an integrated digital infrastructure company in Indonesia, Biznet offers super-fast Internet services, 4K resolution IPTV, and world-class Data Center and Cloud Computing services, which will support digital activities of the people in the city.

Biznet has launched Biznet branch office in Pontianak, located at Ruko Pontianak Mall Blok B No. 24, Jl. Teuku Umar, consisting a team to support various digital activities of the people in Pontianak who require a reliable Internet service. The team will ensure that Biznet services can be the best solution for the growing digital requirements. In Pontianak, we offer services for various districts and villages, as follow:

- **Pontianak:** Darat Sekip districts, Mariana, Bangkong River, Jawi River, Tengah
- **West Pontianak:** Sungai Jawi Dalam districts, Jawi Luar river
- **Southeast Pontianak:** Bangka Belitung Laut districts, Bansir Laut, Bansir Darat
- **South Pontianak:** Akcaya districts, Benua Melayu Darat, Benua Melayu Laut, Kota Baru, Parittokaya

*“We have been receiving many requests from the people of Pontianak to expand our network to the city, because the people in Pontianak require high-quality Internet connection. Therefore, we are also expanding our network to more areas in Pontianak, and the expansion process is still on-going. In addition, the process of network expansion will not stop in Pontianak because we are currently in the process of expanding the network to other cities in Kalimantan, and also in Sulawesi,”* said Adi Kusma, President Director Biznet.

For customers in Pontianak, Biznet is providing super fast Internet service for SMB and startup segment, as well as Internet service for home and apartment segment to be chosen based on requirements.

- **Biznet Dedicated Internet**, an Internet service dedicated for large-scale companies or corporation, which offers Internet service packages starting from 30 Mbps at Rp 6,000,000/month. This service offers 24-hour connection to Global Internet and dedicated bandwidth allocation (1:1), ensuring the most reliable network performance at all times.
- **Biznet Metronet** service, an Internet service for medium-scale companies such as SMB/startups, offering several service packages starting from 50 Mbps at Rp 1,150,000/month.
- **Biznet Home** service, an Internet service for home and apartment segment with price starting from Rp 350,000/month.

In addition to the three services above, to support the growth of Small and Medium Businesses (SMB) in Pontianak city, Biznet also presents a solution through a bundling service named **Biznet Home x NEO Web Space**. This service includes super fast Internet connection from Biznet Home with additional NEO Web Space application, a simple and easy website building application, which will help you to make digital activities more exciting.

With Biznet Home x Neo Web Space service, customers can easily build a website using many template options that customers can choose based on their requirements, and most importantly, without having to do the coding process etc, a process that most people consider complicated and way too technical. This application will make website design process becomes a fun, simple and exciting experience. Neo Web Space service is already bundled into Biznet Home monthly fee, with no additional cost. To activate Neo Web Space service, visit <https://space.neoweb.id>.

The presence of Biznet services in Pontianak is supported by The New Biznet Fiber network technology that is able to provide services of a much better quality with a much greater capacity. This technology is able to accommodate the increasing needs in the future. Today, Biznet Fiber Optic network has reached more than 36,000 KM that available in more than 110 cities throughout Java, Bali, Sumatra, Batam, and Kalimantan. *“in line with our tagline Connecting*
