

PRESS RELEASE

Biznet Holds Biznet Festival Tegal 2016

Tegal (Central Java), 15 October 2016 – Biznet today holds Biznet Festival Tegal 2016 at Lapangan Depan GOR Wisanggeni – Tegal, which presents various entertainment activities such as Band Competition, Booth Festival, Fun Games, and also performance from one of the leading bands in Tegal, Feodhal, and wrapped by a performance from one of the biggest bands in Indonesia, Sheila on 7, that will also become the main performance at Biznet Festival Tegal 2016. This event is open for everyone and also free. For registration and for more information about the event, visit www.biznetfestival.com.

Biznet Festival Tegal 2016 is part of the whole Biznet Festival event series, an event designed by Biznet not only as a form of appreciation for the support given to Biznet throughout the years, but also as the best moment and opportunity for people to know more about the services and products offered by Biznet. Biznet Festival Tegal 2016 is the third Biznet Festival event after successfully held in Kediri, East Java, on 5 March 2016, and in Bali on 23 July 2016.

Tegal is one of the cities in Central Java with fast-growing development, and has become of the cities in Biznet coverage expansion priority list. Tegal is also one of the cities that is strategically located in Pantura line, which makes it a perfect spot for transit purposes, especially for trading activities from surrounding cities, including Brebes, Pekalongan and Pemalang.

“Internet has become one of the main facilities to support both business and retail segment, and Tegal, as one of the fast-growing cities in Central Java, requires the best and most reliable Internet service to support people’s daily activities including business, household, online shopping, and also entertainment activities. We are delighted to announce that the people in Tegal can now enjoy our service, and we are confident that we will always have the commitment to provide the best service for all customers with affordable price,” said Adi Kusma, President Director of Biznet.

Biznet recently celebrated its 16th anniversary, and with the commitment to provide the best services for all customers, Biznet officially increased the bandwidth capacity of Biznet Home and Biznet Metronet services, which will give better Internet experience with affordable price.

Biznet Home service is the best Internet service for family that comes in several packages for customers based on each customer’s requirements, starting from 25 Mbps at Rp 240.000,-/month. While Biznet Metronet is the best Internet service for SMBs and startups, now available starting from 25 Mbps at Rp 800.000,-/month. For more information please visit www.biznethome.net for Biznet Home or www.biznetnetworks.com for Biznet Metronet.
