

PRESS RELEASE

## Team RRQ is Listed in the Top 10 Global Esports Team, Proves Indonesian Esports' Significant Growth

**Jakarta, February 11, 2021** – In the midst of esports development and significant growth, Team RRQ (Rex Regum Qeon) has become a living proven that esports has become the new popular sport worldwide. As one of the most well-known esports Team in Indonesia, Team RRQ has successfully listed in the 'Top 10 Global esports Team 2020' list released by Shareablee, a data monitoring company from New York, United States of America. In the report 'The State of Social Media 2020' released on the Shareablee website, Team RRQ was ranked 3<sup>rd</sup> as the Team that has the highest number of engagement on social media, with a total of 26.5 million actions. Team RRQ was placed third after Esports team from the United States, Faze Clan, with 142.9 million actions and G2 Esports, an Esports team from Spain, with 38.1 million actions.

All the achievements that Team RRQ has received to date were fully supported by Biznet as an integrated digital company in Indonesia, where currently Team RRQ is one of Biznet's Official Esports Team since 2018. This is part of Biznet's support for the growth of esports industry in Indonesia, which is expected to motivate RRQ Team to achieve more in the future, and to motivate the young generation to always develop their potentials and achieve many achievements in the future, both in the national and international stage.

*"It is delightful for us to see the success of Team RRQ for their success and has been listed in the 'Top 10 Global Esports Team 2020' list. The world of esports will continue to grow and bring out talented young generations in esports with extraordinary potentials and talents, which we believe need to be supported by a fast and stable Internet connection to perform. Therefore, we continue with our commitment to support the development of esports in Indonesia, one of which is by continue supporting Team RRQ in making more international",* said Adi Kusma, Biznet President Director.

This result is actually well-deserved considering Team RRQ has been selected many times as the most favorite esports team, both in the national and regional levels. At the national level, in November 2020 Team RRQ bought 3 trophies from the Indonesian Esports Awards 2020 that was organized by Global TV. Team RRQ was chosen to be the Favorite Esports Pro Team, while two other awards were received by RRQ Lemon from RRQ Hoshi as the Favorite Esports Pro Players and RRQ Ruben from RRQ Sena Favorite Esports Coach.

*"I am very happy and proud of this success. Even though RRQ's number of followers is not the highest out there, RRQ fans are highly active and it proves that our engagement with the fans is very high. Thank you to all RRQ fans, and we make sure that in the future we will continue to give the best content and also make our best efforts to strive for more achievements, to make all esports lovers in Indonesia proud of us. In my opinion, being the Top 3 globally is quotes an achievement and able to represent the Asian team to the world, especially Southeast Asia teams. Proud,"* said Andrian Pauline, Co-founder & CEO of Indonesian Esports Team RRQ.

In the Indonesia Gaming Award 2020 held by EXG Verse, Team RRQ successfully received 3 trophies, namely The Most Favorite Esports Team of the Year and The Most Favorite Gameplay of the Year. Meanwhile, one other award was given to RRQ Alberttt as The Most Favorite Rookie of the Year. This shows the large base of support for Team RRQ in Indonesia, with Team RRQ always dominating major awards events in Indonesia.

It's not quite there yet, Team RRQ won another award, namely the SuperGamer Fest Awards 2020 held by PVP Esports. This time, Team RRQ was selected as the Esports Team of the Year in Southeast Asia. Meanwhile, M. Ikhsan "Lemon" was again chosen as the Esports Pro Player of the Year.

In the SuperGamer Fest Awards 2020, the winners are determined based on fan's choice and quantitative analysis, from gaming, entertainment, media, influencers, national esports organizations, game publishers, to telecommunications. In other words, Team RRQ won not only from the number of votes, but also from reliable

quantitative analysis. Getting recognition in Southeast Asia proves the position of Team RRQ outside Indonesia. Esports Charts, which is a research media for esports trends and streaming, also recorded three Team RRQ matches in the M2 Mobile Legends World Championship as the most watched ones in second to fourth. Previously, in MPL Indonesia Season 6, Team RRQ also dominated viewership by occupying the top five positions in the match with the most viewers.

Now, Team RRQ's position is getting stronger as the biggest esports team in Indonesia with the release of social media data collected by Shareablee throughout 2020. The data was collected based on cross-platform actions or engagements calculated from likes, comments, shares, retweets, and favorites, each of which is a scalable feature on Facebook, Twitter and Instagram. This data doesn't just prove the achievement of Team RRQ, but also proves that esports in Indonesia is getting bigger and getting worldwide recognition.

---
